## [Help Turn the Tide: Eight Week National Prayer Call](#)

"History is Calling for Reconciliation, Compassion, Love, Service and Sacrifice. Today's problems cannot be solved by the logic of power. Today's problems can only be solved by the Logic of Love."- Dr. Hak Ja Han Moon

In the months of June and July, WFWP USA hosted a Weekly National Prayer Call on Saturdays at 1 PM EST under the headline "Help Turn the Tide" in an effort to come together from around the nation and pray for healing and reconciliation. It was initiated by WFWP women of all races in response to the murder of George Floyd, turning their attention to God, our Creator, in the spirit and heart of repentance, forgiveness and reconciliation, and the hope of bringing healing and solutions to a hurting nation.

Participants also shared brief reflections based on selected readings, excerpts from Dr. Hak Ja Han Moon's speeches and also her recently published memoir: "Mother of Peace: And God Shall Wipe Away All Tears from Their Eyes"...

## [Schools of Africa Benefit Yard Sale in Billings, MT](#)

Recently I read an article explaining that Mother Moon, the Mother of Peace, gave substantial financial aid to several countries struggling to cope with extreme hardships brought on by the coronavirus. My heart was moved by her compassion and gifts, and by her concern for the welfare of destitute families far, far away. **I wanted to do something here, in Billings, Montana, that could bring hope to children and their families in African nations** and to lift up people in Billings who donated their goods, their time and their resources to benefit the Schools of Africa, a long-term project of WFWP. Thus, WFWP Montana decided to organize a **two-day yard sale on July 17th and 18th**, taking care to follow social distancing guidelines. This benefit event was the way to weld an offering of hope and compassion into a larger chain of caring begun by the Mother of Peace, WFWP Co-Founder Dr. Hak Ja Han Moon....
