WOMEN'S FEDERATION FOR WORLD PEACE USA

Logic of Love News

NOVEMBER 2017

Editors' Note

EDITOR'S NOTE ABOUT THIS ISSUE

This first newsletter for the month of November is rather short as WFWP USA President Angelika Selle and several chapters were focusing their efforts on preparing for and attending the Interreligious Leadership Conference for Peace in Seoul, Korea, as well as a Peace Rally at the World Cup Stadium, the purpose of which was to call for Peace and Harmonious Reconciliation between North and South Korea. It was initiated by our Founder, Dr. Hak Ja Han Moon and welcomed about 90,000 people, including several hundred international peace leaders. Stay tuned for more in the next issue.
