President's Corner: The Work for Peace Must Go On

Dear friend,
I pray that this newsletter finds you safe and well!!
Our hearts and prayers continue to go out to the suffering people in Haiti ([click here to donate](#)), the women and girls and Americans in Afghanistan ([to help click here](#)), and the victims of Hurricane Ida, which devastated large parts of Louisiana!
With that being said, our Founder, Dr. Hak Ja Han Moon, in a recent speech reminded us, "No matter what the circumstances around us may be, we must not stop our work for peace." The occasion was the ninth anniversary of the passing of her late husband, the Rev. Dr. Sun Myung Moon. The commemoration took place online on August 2, and was aired worldwide. Mother Moon's statement about never stopping the work for peace perfectly describes our Founders' heart and commitment to peace.

Unified Korea: Finding Seeds of Hope—A Groundbreaking GWPN International Forum

It has been over 70 years since the Korean war broke out, resulting in the separation of one country and way of life into two. Even after these many years, the lands bordering the demilitarized zone remain the most heavily armed in the world. While attempts for lasting resolution and reconciliation appear entirely out of reach, Women's Federation for World Peace (WFWP) Founders Dr. Sun Myung Moon and Mrs. Hak Ja Han Moon have held out hope. Using unique, outside the box ideas, they are determined to peacefully bring together their homeland, as a means to igniting the realistic possibility for peace throughout the world...

LEAVING BEHIND
A LEGACY
OF LOVE

October 27, 2021 marks the 9th anniversary since the passing of WFWP Co-Founder Rev. Dr. Sun Myung Moon, who dedicated his whole life for the sake of peace. Affectionately known as Father Moon, he established numerous organizations and peace initiatives around the globe together with his wife, Dr. Hak Ja Han Moon, who has taken on the mantle and continues their joint work to create a world of peace.

We invite you to take the time to view a special virtual exhibition that was created to celebrate the centenary of Father Moon's birth. It includes a compilation of the major aspects of his extraordinary life, work and ideas. Among many other things, Father Moon was a great advocate of women's leadership.

We need to encourage and foster the practice of living for the sake of others."

Show your support for Haiti

Please join us in sending our prayers of support for the people of Haiti! After a magnitude 7.2 earthquake on August 14, 2021, the country is facing dire straits. Currently, 1,400 are dead, 6,900 are injured...

WFWP National Chair for Haiti, Mrs. Fujiko Paul, has sent us the following note regarding the situation:
"Thank you for your warm heart! ... Currently, the problem in Haiti is that the security of Matissant city [a neighborhood of Port-au-Prince], which connects the capital and the provinces, is very bad. Gangster shootouts are held here every day, and residents are evacuating to other areas. Even in this earthquake, ambulances could not pass because gangs made barricades..."

Prayers and Support for Afghanistan

Please join us in sending our prayers of support for the people of Afghanistan! We watched in shock as the government in Afghanistan was overrun by the Taliban in a swift takeover. This has caused a situation of extreme chaos and fear for the future for many in Afghanistan, especially women and children. Though there are many geopolitical factors surrounding the current situation, our hearts go out especially to the many families who are desperately seeking to protect the ones they love in the face of so much uncertainty and upheaval.

In particular, we pray for the many women and children of Afghanistan who are vulnerable under a regime which has a history of actively denying women's rights. Many mothers, teachers, and women's organizations [live now in constant fear](#) for the women and girls they have vowed to help and protect...

Awesome Coleslaw and Health Benefits of Cabbage

This coleslaw is Asian inspired and requested by my daughter for her birthday meal to go with ribs and homemade potato fries. It is also a staple on our dinner table. It is quick and very refreshing. Unlike most coleslaws, it only has a small amount of mayonnaise. It must be mixed and chilled for at least an hour for the flavors to mix. This recipe was adapted from [myrecipes](#).
