[EDUCATING THE SPIRIT: YOUTH LEADERSHIP AND EDUCATORS CONFERENCE](#)

Following the Africa Summit in Senegal in January 2018, Mother Moon encouraged America to reach out and support Africa, as an elder brother supports his younger. With that heart in mind, Youth and Students for Peace Africa connected with Women Federation for World Peace USA, represented by Denneze Nelson (WFWP New Jersey Chairwoman), to host the 1st Youth Leadership and Educators Conference in collaboration with Family Federation for World Peace USA, Universal Peace Federation USA and Youth and Students for Peace USA...

DID YOU KNOW that September 21st was the International Day of Peace, declared by the United Nations General Assembly as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples? The theme for this year celebrates the 70th Anniversary of the Universal Declaration of Human Rights.

REVELATION

Each person is a leader;
you lead every day.
Sometimes we lead unconsciously,
just part of our daily journey.
Making decisions, whether
quick or long-term, takes
leadership skills, surely
you will affirm.

Take running a household,
now that can be a trip.
But you do effortlessly
out of love for kinship.
Assuming a leadership role
is what you do naturally,
and you don't have to be told,
let alone shown.

Just ask a former first lady
who led exuding grace.
She pulled from what she knew
to seemingly glide from
place to place.
She led her pet project
on the world stage,
where many would later
join her, for many would
become engaged.

And now it's time for you to release and
make your mark for world peace.
Do know that good leaders
have keen minds
and lead with compassionate hearts.
Now go and rise up!
You're already equipped; you're
off with a running start.

PeaceIn's "Only One America" Project was started in January 2017 with the idea of creating an Art park designed and built by youth from North, South and Central America, and from the Caribbean. This park was conceived as an artistic expression of strength and solidarity of intra-American youth. This year, WFWP NJ supported the project by sponsoring several young people to go to Honduras to attend and serve...

HONORING SERVICE OF THE HEART: PA SPEAKER OF THE HOUSE RECOGNIZES WFWP

On the last day of summer 2018, WFWP Pennsylvania celebrated 26 years of garnering recognition from all over PA. It's been 7 years already since the spotlight was truly caught and maintained by WFWP here in PA; for WFWP has proved to be one of the women's organizations that serves others the most. It has a significant role as a model organization for promoting peace, reconciliation, and collaboration with other groups in Pennsylvania. On Aug 25, 2018, Mike Turzai, Speaker of the House of Pennsylvania, and State Rep Margo Davidson applauded and publicly honored WFWP by offering citations with the seal of the House of Representatives...

MIXING IT UP IN NORTH CAROLINA

always have a story to tell. In the life of the grassroots non-profit organizations existing, serving, and generally operating day-to-day, it is a constant challenge to plan and execute an event. It is especially challenging to locate a SUITABLE VENUE, in a GREAT LOCATION, for the RIGHT PRICE. Back in March 2017, community partners were invited to attend an event hosted by one of our partners and it was held at the Google Fiber Space location. In conversation with the event planners, I discovered that the venue space could be utilized complimentary by non-profit organizations for events that did not involve fundraising, political or religious matters, or parties!
